***** Please note that there are more COS classes students can take based on interest and career goals. *****

This is a broad list that focuses on courses that fulfill HS graduation and A-G requirements. If there are other courses you are interested in taking, please talk to your counselor about requirements and options.

***For most courses, one semester-long community college course counts as a year-long high school course.**

****Math options are very specific. Please talk to your counselor before selecting a math class. Students are recommended to take math at the high school all four years. Math classes are based on placement procedures as well which are listed on the COS website at:**

<https://catalog.cos.edu/placement-procedures/#mathplacementtext>

*Farmersville Unified School District encourages all students who choose to pursue "College Credit" while enrolled in High School. Parents & Students please keep in mind that Farmersville Unified School District does not allow for early graduation.
