

Hello Farmersville Falcon Families,

It is with great pleasure that I write this letter to you. My name is Chris Sanchez, and I will be your new Farmersville Jr. High School Principal for the 2022-2023 academic school year. This is a great honor to me as I am from Farmersville and received my education here. Not only did I attend school here in Farmersville, but I had the privilege of coming back and teaching here at FJHS for 8 years. During my time here, I taught math, coached boys' and girls' basketball and was the athletic director. For the past 4 years, I have been at Farmersville High School as a one-year athletic director and three years as the assistant principal. This will be my first year as principal and I am looking forward to working with you to give our kids the best education they deserve and get them ready for high school!

As we begin this year, look to our [parent squares](#), [facebook](#) and [falcons have pride](#) Instagram pages.

Gratefully,

*Chris Sanchez*  
Farmersville Junior High Principal  
(559) 747-0764
