

Tulare County Public Health Flu Vaccine Clinics

The Tulare County Immunization requests that, at the time of the vaccine, you provide:

1. Medi-care or Medi-cal with Identification card or
2. \$22.00 Administration fee if none of the above.

(*You will not be denied services if unable to pay)

Protect yourself and your family against flu
GET VACCINATED!

Flu is serious, and your best protection against the flu is the flu vaccine.

Everyone 6 months of age and older should get a flu vaccine.

It's not too late to protect yourself and your family.

For information contact the Tulare County Immunization Program
559 685-5725

For more information about the influenza vaccine, visit www.flu.gov or call 800-CDC-INFO.

Protéjase usted y su familia contra la gripe
¡Vacúnese!

La gripe es muy seria, y su
mejor protección es la
vacuna contra la gripe.

Toda persona, desde los 6
meses de edad y mayores
deben vacunarse
contra la gripe.

No es muy tarde para
protegerse usted y su
familia.

Para más información contacte al
Programa de Inmunización del
Condado de Tulare al 559 685-5725.

Para más información sobre la vacuna
contra la gripe visite el sitio Web
www.flu.gov o llame al 800-CDC-INFO.
