Cal Grant GPA Opt-Out Form

In order to be considered for a Cal Grant, California public high schools and charter schools are required to submit a high school Grade Point Average (GPA) to the California Student Aid Commission by October 1 for all graduating seniors, unless the student or parent has opted out. California Education Code section 69432.9 requires the school district or charter school, to notify all grade 11 pupils and their parent/guardian (if under the age of 18), in writing and no later than January 1 of a pupil's grade 11 academic year, that the pupil will be deemed a Cal Grant applicant unless the pupil has opted out prior to the date specified below. Students who do not opt out will have their GPA submitted to the Commission to be considered for a Cal Grant award.

If you do not want your school to report a GPA, please complete this form and return it to your high school counselor
