At Tri Counties Bank, our mission is to improve the financial success and well-being of the people we serve throughout Northern and Central California. One way we fulfill this mission is through our investment in community-minded and intellectually-gifted students.

In partnership with the Community Foundation of the North State, Tri Counties Bank awards scholarships totaling \$110,000 to students attending community colleges, trade schools or four-year colleges/universities.

Scholarships are awarded to high school seniors – especially, though not exclusively, to those who are economically disadvantaged – who demonstrate interest in public service, community engagement and business entrepreneurship.

## **Tri Counties Bank offers two types of scholarships:**

- **Income-based**

Sixty (60) \$1,500 scholarships are awarded to students with an Expected Family Contribution (EFC) of \$6,206 or less and a minimum GPA of 2.5.

- **Merit-based**

Twenty (20) \$1,000 scholarships are offered to students with a cumulative GPA of 3.0 or higher.
