Scholarship Information

For High School Seniors

Who we are:

The Oyervidez-Luquin Foundation Scholarship is a private family scholarship. We are Mexican American first-generation college students that experienced the joy and fear of being the *first* in our families to attend college. We honor those that helped us along our educational and professional journey with this \$500 annual scholarship to a graduating Farmersville High School (FHS) senior.

The \$500 scholarship will be presented to the selected student during Senior Award Night at FHS. The scholarship is intended to help prepare the graduating senior cross off items from their To Buy List or save for unexpected expenses, books, etc., as they plan for the upcoming Fall Semester.

Showing up and feeling prepared on Move In Day or on your first day of class is important, we hope that this scholarship can provide you peace of mind, as you prepare for the next phase of *your* educational journey.
